Silver Spring, MD – On par with the best American police dramas like *Homicide: Life on the Street* and *The Wire*, Emmy®-nominated Acorn TV features the U.S. Premiere of the gripping, Canadian crime drama **19-2, Season 1** beginning **Monday, January 18, 2016** with its first two episodes and a new episode every Monday through March 14. In Canada, the series has been a huge ratings and social media hit for Bell Media's Bravo channel. The intense 10-part character-driven drama stars **Adrian Holmes** (*Arrow*, *Elysium*) and **Jared Keeso** (*Elysium*, *Falling Skies*) as partners in the Montreal Police Department who must put their differences aside as their lives intertwine professionally and personally. An English-language remake of a popular Quebec show, 19-2 has won a Canadian Screen Award for Best Actor for Jared Keeso and Best Dramatic Series. **Acorn TV** is the premier streaming service for world class television from Britain and beyond from **RLJ Entertainment** (NASDAQ: RLJE).

Officers Nick Barron (Adrian Holmes) and Ben Chartier (Jared Keeso) patrol the urban sprawl of downtown's 9th Precinct in Cruiser No. 2, working alongside the varied cast of characters that make up the close knit squad of Station 19. With very different temperaments and life experiences, Nick and Ben's mistrust and antagonism for each other is evident from the outset, but, as season one progresses, moments of mutual respect give way to a wavering chance of a true partnership. As we come to know the team, we see friendship and loyalty, but we also see betrayal as Ben learns of a mole in the squad, whose actions may have fatal consequences.
